

Raptor Nest Monitoring Volunteer Survey

Name of volunteer: _____

Name of Monitoring Partner (if applicable): _____

1. What experience do you have with birding generally and/or raptors specifically?

2. What is the maximum distance you would be willing to hike and/or travel to monitor a nest or set of nests?

3. Do you prefer to monitor alone or with a partner? Remote nests require paired monitors.

4. Where do you live and/or work? We'll do our best to assign you to a nest relatively close, all else being equal.

5. If you are familiar with the following areas, please indicate four areas you'd especially like to monitor. Please rank them 1, 2, 3, 4 in order of preference, 1 being most preferred.
